If you plan on forwarding this invitation please only send to those HCPs who are not excluded. Thank you for your time and assistance with regard to this request.**

If you plan to attend, kindly make every effort to arrive by the designated start time and to remain through the duration of the program. Please be advised that late arrivals may be prohibited from participating in the event.

**Notice:** This event is conducted in accordance with the PhRMA Code on Interactions with Healthcare Professionals (HCPs) and is limited to invited HCPs and appropriate HCP staff. Attendance by guests or spouses is not appropriate. In addition, Pfizer policy prohibits attendance by HCPs who practice in a specialty for which the relevant Pfizer product does not have an FDA-approved indication.

**State and Federal Employees:** State and federal laws and regulations may limit your ability to receive meals. By attending this event, you confirm that you have obtained any necessary approvals from your employer.

**Public Disclosures:** The cost of meals and refreshments provided to U.S. licensed Healthcare Professionals attending this event may be subject to disclosure under state law, and subject to disclosure under the Physician Payments Sunshine Act. Pfizer's disclosure allocates the cost of meals equally across all attendees who have not opted out of receiving a meal or have consumed a meal regardless of opt-out status.

**State Law Restrictions:** Regardless of where you practice or reside, if you are an HCP who is licensed in Minnesota or Vermont, or an employee/agent of a Vermont HCP (e.g., PAs, non-prescribing nurses, etc.), you may not attend this event. If you are a NJ licensed prescriber, you can only partake in a meal or refreshments if the per person cost is \$15 or under.
